New customer bonus is for new personal households only and not valid with other offers. Excludes Student Checking Account. Customers who have closed accounts in the past 24 months do not qualify for new account incentive credit. Debit card or direct deposit bonus of \$10.00 will be credited to the new customer's checking account each month after the statement cycles for up to 10 months provided there are 10 qualified debit card transactions or a direct deposit for that statement cycle. Statement credit will begin with the October 2018 statements. ATM transactions will not qualify. Direct deposit must be payroll, Social Security, pension or other government benefits. Fees may be applied and could reduce earnings. For tax reporting purposes, a 1099 will be issued for all bonus payments. When opening online use promo code August 2018 Checking. Incentive credit will not be paid if promo code is retrieved from a deals website and North Shore Bank reserves the right to close customer's accounts that do not live within our service area.
