TERMS & CONDITIONS

Both the referring party and the referred party must reside in TN, MS, GA, VA, NC, or AR. Referring party must be an existing customer of First Tennessee Bank and maintain an account in good standing at the bank until the referred party completes all Refer-a-Friend program requirements. All referral account openings must be made within 90 days of the referring party's registration. Accounts opened after this time may result in disqualification. Returned/invalid email addresses and non-deliverable addresses are not the responsibility of First Tennessee Bank or its third-party vendors. All bank rules and regulations apply. This program may be modified or cancelled at any time without notice to either party. However, we will honor program terms for any referred person who registered prior to cancellation or modification and who fulfills all offer requirements according to the original time requirements.

Referred party must not have a First Tennessee checking account when the new personal checking account is opened. There are several checking accounts that qualify for this bonus offer. One example is Premier Checking. As of 02/15/2018, the Annual Percentage Yield (APY) for Premier Checking was: 0.01% for balances of \$0-\$4,999 and 0.02% for balances of \$5,000 and greater. APY is variable and subject to change without notice. APYs are for accounts opened in the Memphis area and may vary in other markets. Fees may reduce earnings. Non-US residents, individuals under 18 years of age, and employees of the bank and their immediate family members residing in the same household are not eligible. Not to be combined with any other offers. To qualify, you must follow all steps exactly as described in offer and meet all terms and conditions. All registrations must match name and address provided to First Tennessee Bank at the time of account opening. Referred customer must complete all program requirements for either party to receive reward. Allow 6 weeks for delivery of Reward Cards after completion of all requirements. Value of reward may be subject to income tax reporting.
