ROUND UP SAVINGS PROGRAM

Round Up is an easy way to automatically save by rounding up your debit card purchases to the nearest dollar and having the difference transferred to a Round Up Savings account from your checking account. This free program also allows you to add on dollar amounts (\$1, \$2, or \$3) to each transaction, and amounts up to \$100 at the end of each month.

WE'LL MATCH YOU!

Provident Credit Union will match 100% of your eligible round up transactions for the first three months on your first enrolled account. Thereafter, we will match 5% on this account and all subsequent enrolled accounts up to \$250 per year.* (Super Reward Checking is not eligible for matching.)

SAVE UP CASH OR PAY DOWN DEBT

Each month, choose to transfer your balance to an eligible Provident savings account, loan, or credit line (checking accounts are not eligible). Or keep your funds in your Round Up Savings account and watch it grow!

WHAT YOU NEED TO KNOW ABOUT THE ROUND UP PROGRAM:

- Eligible transactions are aggregated and transferred to the Round Up account at the end of each day.
- Transfer to and from your Round Up account any time.
- Your match bonus will be credited on your anniversary date (or on the next business day after that).
- Matching occurs on the rounded transaction amounts only.
- Enrollment is only available via [online banking](#).
- Fresh Start Checking and Health Savings Accounts are not eligible for enrollment.
- Only debit card PIN and signature based transactions are eligible.
- Must be enrolled in e-Documents.
