

## Student Checking

---

This account is specially designed with young adults in mind. Whether you're attending school close to home or far away, you need a checking account that's simple and easy to access. With a First American Student Checking account we make it easy to help you make the most of your money so you can focus on school. You'll also get a **\$50 cash bonus!**<sup>1</sup>

Plus, First American Student Checking allows your parents to make deposits or transfer money from an existing First American Bank account to your account easily and without incurring any fees.

### Account Features
