

Send-a-Friend

Our Friends & Family Referral Program

With Sandy Spring Bank's Send-a-Friend program, you can get a \$25 reward when you refer a friend or family member to open a new checking account. Refer a business and you can get \$50. Here's how it works:

1. Complete this certificate, give it to a friend or family member, and invite them to open any Sandy Spring Bank checking account.*
2. Ask them to complete the new client section of the certificate and present it when they open a checking account.
3. Your reward automatically will be deposited to your account within 30 days after your friend opens their new checking account, orders a debit card and makes three debit card purchases during the third statement cycle. Plus, your friend will also receive a deposit to their account of the same value.
