

New business checking customers can earn up to \$500 with two additional business products¹

Here's how you can earn your bonus:

- Open a Business Advantage or Business Fundamentals[®] Checking account by June 30, 2017, make qualifying deposits of at least \$5,000 in the first 60 days AND be approved for one of the Select Business Products listed below within 60 days of opening the business checking account to earn \$300, provided you meet the related qualifier as defined below.
 - Qualifying Deposits are deposits of funds into your new small business checking account that are not transfers from other Bank of America and/or Merrill Lynch accounts.
- Open a second Select Business Product from the list below within 60 days of opening a business checking account, and you will earn an additional \$200, provided you meet the related qualifier as defined below.

Earn \$300 with business checking and one Select Business Product	+	Earn \$200 when you open a second Select Business Product	=	For a total of \$500¹
---	---	---	---	--

Select Business Products	How to qualify
Business credit card account¹	Apply, be approved for and open a new small business credit card account, and spend at least \$500 on the card within 60 days of opening a new business checking account.
Bank of America Merchant Services account¹	Apply, be approved for and activate a merchant services account, and settle funds totaling a minimum of \$1,000 into your new business checking account within 60 days of opening the new business checking account.
