

Earn up to \$2,500¹ with Business Advantage Checking and four additional Select Business Accounts

Here's how you can earn your bonus:

- **To earn the initial \$1,000 bonus**, open a Business Advantage Checking account by **February 28, 2018**, make qualifying deposits of **at least \$50,000** in the first 90 days, plus be approved and meet the qualification requirements for one of the Select Business Accounts listed below within 90 days of opening the Business Advantage Checking account. **Note: Qualifying Deposits** are deposits of funds into your new small business checking account that **are not** transfers from other Bank of America and/or Merrill Lynch accounts.
- **Earn an additional \$500** for each additional account you open from the list of Select Business Accounts below, provided you complete the qualification requirements shown in the section titled **Qualification Requirements**. Note that all Select Business Accounts must be opened within 90 days of opening your Business Advantage Checking account, and only one of each type of Select Business Account will qualify to earn the bonus.

If you wish to earn the full \$2,500, we recommend that you apply for the new Business Advantage Checking account and all of these Select Business Accounts during the same visit with your small business specialist.
