"I'm pleased to recommend the Amplify Bank at Work program to any groups looking to expand employee benefits. We have a number of employees that have chosen to take advantage of the Bank at Work benefit and become members including myself. Amplify handles all of the administration and covers all the costs associated with the benefit. I have found this to be a meaningful addition to our employee benefit package, and encourage other to say 'Yes' to Bank at Work!"

AMPLIFY'S STORY | A little bit about us

Amplify Credit Union is a member-owned financial cooperative that has been serving Austin since 1967 when we got our start as IBM Texas Employees Federal Credit Union. Today we have more than 50,000 members and over \$705 million in assets and are growing more every year.

In 2006 we changed our name to Amplify and opened our field of membership to anyone who lives, works, worships, or attends school in Travis, Williamson, Bastrop, Caldwell, and Hays counties. You can also qualify for membership if someone in your family is currently a member.

Our primary focus is on serving the best interests of our members. Every day, every decision we make is rooted in making sure we're acting as responsible stewards of our members' finances. Profits are returned to you, the member, in the form of better returns on deposits and lower interest rates on loans.

1. Bank at Work program eligibility requirements: Enrollment in program is at request of member. To qualify member must be actively employed at one of Amplify's Bank at Work Corporate Partners and meet Amplify's standard membership requirements. Direct deposit into an Amplify checking account consisting of at least 50% of monthly income, subject to verification, is required to receive program benefits. By request program may be extended to additional persons living in same household. Existing Amplify members who are employed with a Bank at Work Corporate Partner may request to enroll in program at any time. Benefits are available beginning on program join date and not retroactive to existing products or services. Existing memberships with direct deposit do not qualify for checking bonus. Program and benefits are subject to change at any time.

2. Loans subject to credit approval.

3. Direct deposit is at least 50% of your monthly income subject to verification. Limit of one checking account related bonus per household unless both residents are employed with a Bank at Work Corporate Partners. Household is defined as persons living at the same physical address. Abuse could result in disqualification of receipt of bonus. Bonus will be deposited upon satisfaction of the above conditions. If checking account is closed within 90 days of opening, bonus proceeds will be deducted at closing.

4. Amplify Free Checking has no monthly Service Fee with eStatements. A \$2.25 processing fee will be charged for each paper statement on the Free Checking account, should you choose not to accept eStatements.

5. No ATM fees when you have direct deposit every 35 days. Other financial institutions or merchants may charge for use of their ATM. If you have direct deposit into your Free Checking Account, Amplify will automatically refund this charge to your account the next business day. Amplify's definition of Direct Deposit is every 35 days, and reclassification occurs on the first day of the month following
