**Earn By Referring:* When you sign up to participate in this promotion you will be given a unique referral code ("your Code"). Unique referral codes will only be given to existing DFCU members. You will be given \$50 each time a New DFCU Member (i) uses your Code and (ii) qualifies for their own \$50 reward as explained below.

Earn By Joining: A New DFCU Member is entitled to one \$50 reward when they (i) use one unique referral code and (ii) meet one or more of the following: (a) opening a checking account and making a direct deposit; (b) opening a checking account, obtaining a debit card and using the debit card at least 10 times; (c) obtaining a loan with a balance of at least \$5,000; or (d) obtaining a DFCU credit card and using it at least 10 times. Only one \$50 reward may be earned by joining DFCU but you may earn more through referrals. Your \$50 reward will be treated as interest income for tax reporting purposes.

Generally: A person is a "New DFCU Member" if they have not had any account at DFCU in the past 12 months. Offer subject to change. Reward will be deposited in your DFCU account within 30 days of completing the requirements. The promotion ends on 2/29/2016 and all requirements must be met before that date.
