You bank Marine. Shouldn't your friends?

Tell them all about it with this link. They'll have the opportunity to trade a print-out of your recommendation for a \$50 deposit into any new personal checking account with a debit card. And when they do, you'll get a \$25 Visa® gift card* to spend anywhere that accepts Visa® Card.

(You must have an existing Marine Bank account to receive a gift card.)

**Cash and Visa® Gift Card are treated as income for IRS reporting. Referee, through redemption of this card, you agree to a one-time waiver of your privacy rights in that the referer will be aware of your opening of this new account.*

I love Marine Bank, and I think you will too! Print this e-mail and take it to any Marine Bank branch to open a new personal checking account with debit card. They'll put \$50 in your new account! You just have to open a personal checking account and apply for a debit card. It's that easy! Check out Marine Bank at www.ibankmarine.com.
