Open a Mission Fed Checking Account today & we'll reward you with \$25 & a matching \$25 donation to your school of choice.*

Mission Federal Credit Union is on a mission to give extra financial support to our local schools—elementary through college.

When you open a Mission Fed account, not only will you receive \$25 into that new account, Mission Fed will also make a matching donation directly to the school of your choice. These no-strings-attached funds can be used by your school for everything from classroom computers to museum field trips, instruments for the band to science equipment and classroom supplies.

Here's How It Works

Complete the electronic form on this page and a Mission Fed representative will contact you within 1-2 business days to open your Mission for Our Schools Checking Account.

You may simply bring the completed printout of the electronic form or the [Mission for Our Schools flyer](#) into any of our branch locations, or mention it on the phone to our member service reps at 858.524.2850 or 800.500.6328.

What's In It For You and Your School?

When you open a Checking Account, you'll receive \$25 in your new account and Mission Fed will also make a matching \$25 donation to your school of

choice.

Free Mission Rewards Benefits You and Your School.

When you apply for a Mission Fed Credit Card and add free Mission Rewards, you'll earn points for every qualified purchase.** Then you can redeem those points for hundreds of options—including a new program where the points become cash for your local school. Learn more [here](#).

Our Mission in the Community

Mission Fed is a proud and long-standing supporter of San Diego schools, teachers, students and parents that make up the fabric of our educational system. The Mission for Our Schools Program is just another way that Mission Fed is giving back to our local schools for their dedication to providing the educational foundation for our future San Diego community leaders.
