For Current Savers

We're challenging our current youth savers to deposit an extra \$100 this month! Get creative with loose change, extra chores or babysitting to earn a little more and start the year with extra savings.

Save \$100 into an existing UTMA or Minor Savings account in April and we'll give you a \$5 bonus.

* Account balance as of April 30th, 2017 must be at least \$100 greater than balance as of March 31st, 2017. \$5 will be deposited into qualifying accounts by May 15th, 2017.

For New Savers

Youth month is a great time to open a new youth account! Kids 13 and under can also get involved with the [Kirby Kangaroo Club](#) and keep up the fun all year long by earning Kirby Dollars to redeem for prizes.

Open a new UTMA or Minor Savings Account with a \$500 deposit and we'll give you a \$25 bonus.

* Applications must be received between
