(1) Student Checking has no minimum balance requirement or monthly service fees. Only students age 18 to 23 are eligible for this account. When student reaches the age of 24, they will be moved into a Simple Checking account. To qualify for the \$50 Student Checking bonus: Mention this promotion when you open a new Student Checking account before 9/5/17, which is subject to approval. Bonus will be deposited into the new Farmington Bank Student Checking account by 11/6/17. The account must be open, active and have a positive balance (greater than \$0) through the payout date to be eligible. Bonuses are considered interest and will be reported on IRS Form 1099-INT. One new checking opening-related bonus per calendar year, per customer. Offer may be withdrawn at any time. (2) \$50 opening deposit required if opened over the phone. This account cannot be opened online. (3) You must maintain a positive balance with Farmington Bank for at least 90 days to use the mobile deposit feature. See complete terms and conditions. Turning your debit card off only impacts future debit card transactions (point of sale and ATM). Formerly authorized transactions will be paid and any recurring transactions you had previously set up will be processed as indicated. If you believe that your debit card is lost or has been stolen, please leave it in the "off" position and contact us immediately. (4) Farmington Bank won't charge you for debit card use; however other banks may impose a surcharge fee. Terms and conditions may apply to instant issuance.
