Our Accounts

are kinda like puppies.

They like to go wherever you go.

Our savings accounts are easy to open, access, and manage. All savings accounts earn interest called dividends [Rates] and are insured up to \$250,000 through NCUA, the National Credit Union Administration. Here's what we currently offer:

Share Savings Account: this is the primary savings account we open for you when you join BOND Community FCU. All members must keep \$50 in this account at all times. This amount is equal to one "share" in the credit union; remember, you're not a customer here - you're an owner!

Youth Share Account: essentially the same as a share savings account, it's only \$25 to open and required for all account-holders under the legal adulthood age of 18. BONUS: if the child is under a year old, we'll actually put the required \$25 in the account for you!

Vacation & Holiday Savings Accounts: these are extra places to stash money away for upcoming trips, purchases, or events. No minimum deposit or balance is required.

Share Certificate of Deposit*: available at competitive rates, a CD is a special account that typically earns higher interest rates than regular savings accounts by "locking" funds away for a period of time. Minimum deposit to open one is \$500, and terms are as short as 6 months. **Not available at this time.*

Individual Retirement Account: an IRA is a special account designation with certain tax benefits as defined by the IRS (click here for more information). We offer Roth and Traditional IRA accounts; either type can be opened with a minimum \$25 deposit into an IRA Savings Account or with a minimum \$500 deposit into an IRA Certificate of Deposit*.
