

leadership team, and excited members, Chartway Federal Credit Union recently hosted a Friday Fun Fest to celebrate its newly-remodeled branch located in the Southern Shopping Center at 7865 Tidewater Drive in Norfolk, VA. Pictured (left to right): Phil Richards, We Promise Foundation president and community involvement executive; Tage Counts, director of membership development for the Hampton Roads Chamber of Commerce; Kim Little, Chartway's executive vice president / COO; Brian Schools, Chartway's president & CEO; and Priscilla Monte, senior vice president, programs & communications for the Hampton Roads Chamber of Commerce.

Member-First Focus – As part of Chartway's Friday Fun Fest celebration, members had the opportunity to enjoy tailgate-themed activities, giveaways, music, a Shred-It truck, kid's activities, and more. Additionally, members who used Chartway's new Direct Teller - an Interactive Teller Machine that allows members to speak with a live teller using two-way video, were automatically entered to win a \$500 cash prizes. Chartway is also offering a special promotion. When a member opens a new LifePlus Checking account, Chartway will match their first deposit up to \$150 at account opening before November 30, 2018 (promo code FallFest18 must be mentioned).*

*Members must open a new LifePlus Checking Account to receive matching deposit up to \$150. Minimum deposit of \$15 to establish checking account. Promo code "FallFest18" must be used. New **money** only. APY up to .30%. APY=Annual Percentage Yield. May not be combined with any other new member offers at the time of account opening. Existing LifePlus Checking Account members do not qualify. Matching bonus up to \$150 will be deposited to LifePlus Checking 30 days after account opening. Offer ends on November 30, 2018. Offer valid only at Chartway's Southern Branch located at 7865 Tidewater Drive.

Modern New Space – Chartway's newly-renovated Southern Shopping Center branch features modern, inviting, and engaging member spaces and new technology to improve the ease, speed, and efficiency in which members can conduct their business.
