You love your credit union, so why not share the benefits of membership with your employees? As a Credit Union Partner (CUP) of Freedom, we provide you an absolutely FREE comprehensive banking benefits package to offer your employees. More benefits for your business, more benefits for your employees.

As a CUP, Freedom has representatives who are here to make your business banking experience exceptional while also making the process of offering your employees extra benefits seamless. We're here to make banking personal. Our representatives are available to come to your workplace at your convenience to open accounts, answer questions, and to speak with your employees about safe and secure borrowing, saving, and planning for retirement.
