Youth Accounts

It's never too early (or too late) to start financial education!

Choose from two account types focusing on financial education appropriate for specific age groups.

Receive a \$25 Matching Deposit for Each Youth Account!¹

¹ Limited time offer. Applies to new youth accounts opened with a qualifying joint member; includes existing MyCash saving accounts that open a new checking; ChexSystems verification may be required; matching deposit is provided after the account is opened and first deposit has been made; subsequent deposits do not qualify to reach the \$25 match; no minimum balance or time requirements in order to receive the matching deposit.)

We're here to help! Youth financial literacy is an important topic for kids and teenagers to be aware of - the youth of today are the adults of tomorrow, and knowing how to manage their finances is key to their success. Our goal is to make sure you have the [tools, resources and relevant information](#) you need to help them along the way.

Make sure your kids, nieces, nephews or grandchildren have the skills they need to be

financially secure and independent.

What are you saving for?

By Kelli Purry Posted on December 28, 2010 [0 Comments](#)

A new phone? An iPod? A bike? A car? A sock monkey hat?

Let us know what you're saving your hard-earned money for! Or, even if you're just saving to SAVE, we want to know that too!
