Deposits made at Anchor Bank prior to May 1, 2016, are separately insured from deposits at Old National Bank until November 1, 2016. This grace period gives a depositor the opportunity to restructure his or her accounts, if necessary. Certificates of Deposit (CDs) from Anchor Bank dated prior to May 1, 2016, are separately insured until the earliest maturity date after November 1, 2016. CDs that mature during this six month interim period and are renewed for the same terms and in the same dollar amount (either with or without accrued interest) continue to be separately insured until the first maturity date after November 1, 2016. If a CD matures during this six month interim period and is renewed on any other basis, it will be separately insured only until November 1, 2016.
