How to get started

When you open a new Comerica account, you're signing up for more than just a bank. We strive to provide the higher level of service, knowledge and expertise our customers deserve. And now with special pricing on IDMonitor, you can feel good about credit monitoring and identity theft protection features for you and your family! Here's how to get started:

1

Visit a Comerica banking center and speak with a Comerica banker.

2

Open any new Comerica personal or small business checking or savings account between the promotion period of June 1, 2016, and November 30, 2016.

3

Sign up for IDMonitor credit monitoring and identity theft protection.

4

Choose the plan that is right for you.

Save up to 40% off the regular IDMonitor price for 12 months.

Help better protect your identity with IDMonitor.

How does IDMonitor work?

When you sign up and enter your personal and financial information, IDMonitor's credit monitoring and identity theft protection features alert you to key changes within your credit file or if your personal information is found on suspicious websites. IDMonitor is powered by TrustedID, an Equifax® Company.

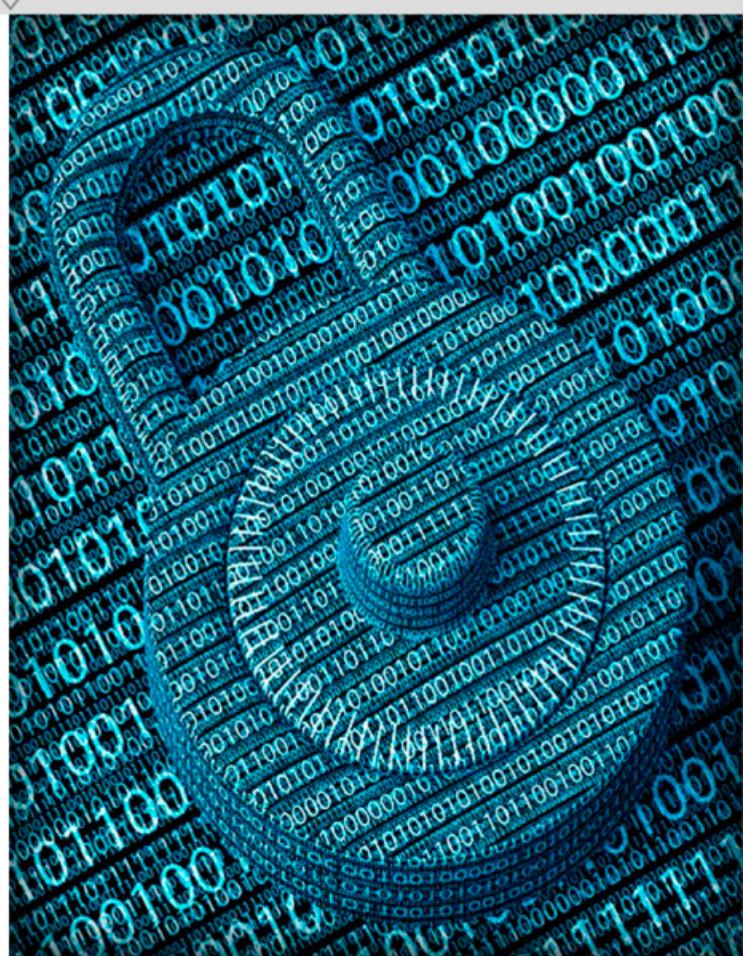

IDMonitor benefits

- Quarterly Equifax Credit Report and Credit Score³
The Equifax Credit Score is based on an Equifax credit score model and is not the same as scores used by 3rd parties to assess your creditworthiness.
- Equifax 3-Bureau Credit Monitoring⁴
- Credit Score Factors and Simulator⁵
- Fraud Alert Reminders
- Social Security Number Monitoring⁶
- Bank Account and Debit/Credit Card Monitoring⁷
- Lost Wallet Protection
- Equifax Credit Score Tracker
- Up to \$1,000,000 ID Theft Insurance⁸

Not all benefits apply to every available IDMonitor plan.

This product is offered by TrustedID® an Equifax® Company and requires an agreement between you and TrustedID. TrustedID is a registered trademark of TrustedID, Inc. Comerica is not the seller of this product and is not responsible for delivery of this product.

¹ To be eligible to receive this special promotional pricing, you must open a new Comerica personal or small business checking or savings account AND enroll in an IDMonitor protection plan between the promotion period of June 1, 2016, and November 30, 2016. Offer valid only to new enrollees of the IDMonitor product. This special promotional pricing will be valid for 12 billing cycles from the date of enrollment. After the 12th billing cycle, your membership will automatically continue without interruption and you will be charged the standard monthly pricing at the time of the automatic renewal. You may cancel at any time by calling 800.356.2244, 8 a.m. – 9 p.m. ET; however, TrustedID does not provide partial month refunds. Comerica reserves the right to modify or end this offer at any time. This offer is for a limited time only and cannot be combined with any other special offers or promotions.

² TrustedID an Equifax Company will require you to provide your payment information when you sign up. TrustedID will immediately charge your card the above stated price per month and will charge the card the above stated price for each month you continue your subscription. You may cancel at any time by calling 800.356.2244, 8 a.m. – 9 p.m. EST; however, TrustedID does not provide partial month refunds.

³ The credit scores provided under the offers described here use the Equifax Credit Score, which is a proprietary credit model developed by Equifax. The Equifax Credit Score is intended for your own educational use. It is also commercially available to third parties along with numerous other credit scores and models in the marketplace. Please keep in mind third parties are likely to use a different score when evaluating your creditworthiness. Also, third parties will take into consideration items other than your credit score or information found in your credit file, such as your income.

⁴ Credit monitoring from Experian and Transunion will take several days to begin.

⁵ Your Equifax Score Simulator results are provided for educational purposes only and are intended to show the impact that certain hypothetical actions could have on your credit score, assuming that all other variables remain constant. This is not a guarantee that your score will change as shown in the Equifax Score Simulator. Your actual score calculation may change frequently, even daily, as the information in your credit file(s) changes.

⁶ SSN Monitoring attempts to scan internet sites where consumers' personal information is suspected of being bought and sold, and periodically adds new sites to those it searches. However, the internet addresses of these suspected internet trading sites are not published and frequently change, so there is no guarantee that Identity Protection provided by Equifax is able to locate and search every possible internet site where consumers' personal information is at risk of being traded.

⁷ Bank Account Number Monitoring attempts to scan internet sites where consumers' personal information is suspected of being bought and sold, and periodically adds new sites to those it searches. However, the internet addresses of these suspected internet trading sites are not published and frequently change, so there is no guarantee that the product is able to locate and search every possible internet site where consumers' personal information is at risk of being traded.

⁸ Identity theft insurance underwritten by subsidiaries or affiliates of American International Group. The description herein is a summary and intended for informational purposes only and does not include all terms, conditions and exclusions of the policies described. Please refer to the actual policies for terms, conditions and exclusions of coverage. Coverage may not be available in all jurisdictions.
