It's clear! Our Health Care Professional package is all you need!

Are you a health care professional? A doctor, nurse, technician, administrator, clinic or hospital employee?

In recognition of all you do for our communities, we've developed a full suite of financial services perfect for health care professionals, including a specialized debit card – and each time you swipe and sign or choose credit for everyday purchases, we'll donate 5 cents to a local health care organization or charity.

Sunflower Bank's Health Care Professional package features:

- Personalized and unique Health Care Professional Visa® debit card
- Ability to earn up to \$100* when you open our most popular account package – Spend & Sign & Save
- Donation of 5 cents to a designated health care organization or charity each time you swipe your debit card or choose credit for everyday purchases
- Complimentary financial planning and estate planning consultations
- Discounts on personal loans with automatic payment*
- Earn interest premiums on most Certificates of Deposit

*Some restrictions apply.
