BOOST?

Give yourself more credit and what you own is the future. It's in our nature to invest in our children, so their hopes and aspirations never stop growing. But we know that as children grow up, so do their financial needs. That's why we invest the first \$100 for your infant from newborn to 6 months.

With a minimum opening

~~WATCH OUT! If you open a Sprout account with a balance of \$100.00, you will be charged a \$5.00 activity fee.~~ <http://www.citizensbankphila.com/personal/banking/>

Sprout account starts earning interest that is accrued daily and compounded monthly with only a \$5.00 activity fee applied to withdrawals or transfers over one per month.

A minimum balance fee of \$5.00 will be imposed every month if the daily balance of the account falls below \$100 on any day of the month. If the account is closed within 365 days of the opening date a closing fee of a \$100 will apply.

The Citizens Bank may
request a copy of birth
certificate for age verification.
