- – Have at least one (1) ACH credit or ACH payment transaction post and settle
- – Have at least fifteen (15) debit card purchases post and settle

- – Be enrolled in and log into online banking
- – Be enrolled in and agree to receive eStatements

That's really it. And even if you don't meet these qualifications, you still have a free account. Plus, you can get right back to earning your cash rewards the very next cycle that you qualify.

*Qualification Information: Account transactions and activities may take one or more days to post and settle to the account and all must do so during the Monthly Qualification Cycle in order to qualify for the account's rewards. The following activities do not count toward earning account rewards: ATM-processed transactions; transfers between accounts; debit card purchases processed by merchants and received by our credit union as ATM transactions; and PIN-based transactions, signature based transactions, non-retail payment transactions, and purchases made with debit cards not issued by our credit union. "Monthly Qualification Cycle" means a period beginning one (1) day prior to the first day of the current statement cycle through one (1) day prior to the close of the current statement cycle.

Reward Information: When Kasasa Tunes® qualifications are met during a Monthly Qualification Cycle: you will earn up to an aggregate total of \$9.00 (which includes any applicable taxes) in refunds for any iTunes®, Amazon.com® or Google Play™ purchases. In order to be refunded, iTunes®, Amazon.com® or Google Play™ purchases must be made with your Kasasa Tunes® debit card and must post and settle to your account no more than thirty (30) days after the Monthly Qualification Cycle in which you qualified ends. In addition, you will receive reimbursements up to \$15 for nationwide ATM fees incurred during the Monthly Qualification Cycle in which you qualified. ATM receipt must be presented within sixty (60) calendar days of transaction for reimbursements of individual ATM fees of \$5.00 or higher. When Kasasa Tunes® qualifications are not met, iTunes®, Amazon.com®, Google Play™ purchases and ATM fees are not refunded. iTunes®, Amazon.com®, Google Play™ refunds and ATM fee reimbursements will be credited to your account on the last day of the current statement cycle in which these purchases post and settle to your account and the ATM fees were incurred. Rewards are variable and may change after account is opened. Fees may reduce earnings.
