

# Youth Accounts

It's good to teach your children the value of a dollar. And it's even better when it's doubled!

---

For a limited time, America First will match every \$1 deposit (up to \$25) you make in a new youth account.

Learning sound saving habits at an early age will help your kids better prepare themselves financially for future needs.

Plus, youth savings accounts at America First feature:

- No annual fees or minimum-deposit levels
- Competitive dividends
- Flexible terms
- 120 locations (and growing)
- Free online access
- And more

But hurry, because this dollar-for-dollar offer only lasts until December 31. Open a new youth savings account today.
