Gain greater online security with the latest online banking protection software provided by First Republic Bank at no cost to you.

And, **earn a \$25 bonus*** when you download now.

- Protect confidential information against identity theft and fraud.
- Defend against threats that anti-virus solutions can't detect or remove.
- Take comfort in online protection that is easy to use and requires little maintenance.

Download

By clicking Download you will be presented with a popup window from Trusteer that will enable you to download the Rapport software to your computer. This download is currently not available for mobile devices.

WHAT IS TRUSTEER RAPPORTE?

Trusteer Rapport is an online banking protection software that delivers increased security while you're using our website to protect confidential information against identity theft and fraud.

- Free for First Republic clients with no registration or commitment
- Takes less than a minute to download and is easy to use
- Updates automatically and requires little to no maintenance.

HOW DOES TRUSTEER RAPPORTE STRENGTHEN ONLINE SECURITY?

- Works alongside your existing anti-virus software and firewall
- Enhances the security of your browser and verifies that the connection to our website is direct and encrypted
- Prevents malware and fraudulent websites from stealing your username, password and other sensitive information
- Stops cyber criminals from tampering with your transactions while banking online

- Blocks malicious attacks that your anti-virus software cannot detect or fix
- Warns you if you accidentally visit a fraudulent website that looks like First Republic Bank

NEED HELP?

- For any questions or concerns, please contact First Republic Bank Customer Service at (888) 372-4891
