\$12.32 (debit card purchase) = \$13.00 checking debit = \$0.68 transferred to YOUR savings account.

Plus, as special promotion, Lafayette Community Bank will **match that round up amount** up to a total of \$50.

\$0.68 round up + \$0.68 match = \$1.36 transferred to your savings account for one debit card purchase!

How to Enroll: Stop by or call any banking office to enroll in the program.

- Must maintain an eligible Visa Debit Card, Checking account and Savings account with Lafayette Community Bank.
- Personal checking accounts, Community and Super Saver Savings accounts are eligible for the program.
- All round-up transactions will be aggregated at the end of each business day and the round-up amount transferred to the savings account the following day.
- If any of the transactions create an overdraft, no transfer will take place—regardless of any overdraft protection in place on the account.
- Interest and service charges will be considered before a round-up transfer is made.
- If a transaction is returned, the round-up amount will not be reversed.
- Lafayette Community Bank will match the rounded amount up to \$50 during the first 60 days from the time you enroll in the program.
- Lafayette Community Bank match will be paid at the end of the 60 day promotional period on accounts that remain open and enrolled.
- Matching funds will be reported to the IRS on 1099-INT.
- Lafayette Community Bank reserves the right to modify or cancel the program at any time.
