# ()New Member Referral Program

As a current member of MCCU, you can earn \$25 for referring a friend! Better yet, your friend can earn \$25 as a new member too! Refer a friend in just three easy steps:

1. Print this page out and write your name here: \_\_\_\_\_, then pass this page on to your friend, co-worker, or family member.
2. Ask your friend to bring in this page to any MCCU branch.
3. Once they open a savings account, plus one other service\* of their choice, you and your friend will both get a \$25 bonus deposited to your accounts.

\*MCCU reserves the right to discontinue this program at any time. New Share Savings Account requires \$25 minimum balance. \*New services include loan and investment type accounts (creates an additional suffix on account). Other minimum balances may be required by type of account. Ask a MCCU employee for details.
