1) Money Market Offer

The introductory rate is effective as of February 27, 2017 and only applies to new consumer money market accounts approved and opened at the Hamilton Crossings Financial Center (5089 Hamilton Boulevard, Allentown, PA 18106) with an initial deposit of \$1.00 from funds coming from a source other than Univest Bank and Trust Co. or one of its affiliates. Account balances are guaranteed to earn an Annual Percentage Yield (APY) of 1.00% for 12 months from account opening. At the end of the 12-month promotional period, all promotional Money Market accounts will automatically convert to Gold Money Market accounts at the then-current rates and terms. Must maintain a daily balance of at least \$1,000 to avoid a \$10.00 monthly fee. Fees may reduce earnings on this account. Offer is available for a limited time and is subject to change without notice. Introductory rate is not available on business money market accounts or to employees of Univest Corporation of Pennsylvania and its affiliates. Limited to one promotional offer per household. Federal regulation limits allowed transactions for money market accounts.

2) \$150 New Checking Offer

To qualify for the \$150 bonus you must open and be approved for a new personal checking account at the Hamilton Crossings Financial Center (5089 Hamilton Boulevard, Allentown, PA 18106) with an initial deposit of funds coming from a source other than Univest Bank and Trust Co. or one of its affiliates.

To receive the \$150 bonus, within 90 days of account opening you must establish three (3) months of direct deposit of government, payroll, annuity or pension checks; or make three (3) separate bill payments to three (3) different payees (excluding individuals) per month for three (3) months.

The bonus will be deposited into your new checking account within three (3) months of meeting one of the requirements. Account must remain open for a minimum of 12 months to avoid a \$20 early closing fee. Offer is available for a limited time and is subject to change without notice. Bonus is not available to existing Univest checking account customers, customers who received an account-related bonus within the last calendar year or employees of Univest Corporation of Pennsylvania and its affiliates. Bonus is subject to 1099 INT reporting for year in which received. Member FDIC.

3) \$675 Home Equity Loan or Line of Credit Offer

New home equity term loans of \$25,000 or more and new home equity line of credit applicants that take an initial draw of the lesser of \$25,000 or 50% of their line at closing, will receive a credit of up to \$675 toward closing costs and fees, subject to approval. If closing costs and fees are less than \$675 a credit for the actual costs will be applied. If closing costs and fees exceed \$675, the balance of the closing costs and fees will be paid by the loan recipient(s). Offer is valid on new home equity term loans and line of credit applications. Offer is available for a limited time only, may not be combined with any other loan offer and is subject to change at any time.
