Services (<https://wcfcu.com/services/>)

If you’re happy with our service, we would like for you to tell your family and friends about us. Even better, we will reward you and your family/friend with \$25!

How it works:

- 1. Provide your contact details and your friend/family member’s contact details via the form below.
- 2. Once your friend has opened up a new Checking Account, completed one direct deposit and the account has been open for a minimum of 60 days, you will receive a reward deposit of \$25 into the savings account number listed on the form.

Terms and Conditions:

The referring party must be a Winslow Community Federal Credit Union member and maintain an account in good standing at the credit union through the time the referred party completes all Tell-A-Friend program requirements. Reward is subject to approval. All referrals must match the name and address provided to Winslow Community FCU at the time of account opening. Referred party may not have an account with Winslow Community FCU when the referral is made. If more than one person has referred the same friend, the first person who had initiated the referral will receive the reward. The reward will be deposited in account within 90 days of meeting requirements. Non US residents, individuals under 18 years of age, and employees of the credit union and their immediate family

members residing in the same household are not eligible. This program may be modified or cancelled at any time without notice to either party. Not to be combined with any other offers. The amount of the reward issued to new members and current members will be included in the members' 1099 MISC for the calendar year in which it was paid.
