REFERRAL PROGRAM

Referring friends can be very rewarding...

You already know how easy it is to bank with us - tell your friends!* When your friend opens a new checking account with direct deposit, we'll give both of you \$25!*

Stop by any of our 10 convenient banking centers to pick up a referral form.

How it works:

- ☒ Complete "Your information" on the referral form and give it to a friend/family member you'd like to introduce to East Cambridge Savings Bank.
- ☒ Ask your friend/family member to complete "Your friend/family member's information" on the referral form and present the form at new checking account opening and establish direct deposit.
- ☒ After the first direct deposit is credited to the new account, you and your friend/family member will BOTH be eligible to receive a \$25 bonus in your accounts*. You will receive an email from an ECSB customer service representative to inform you that the \$25 has been deposited into each account.

*The existing customer must have a checking account with East Cambridge Savings Bank with direct deposit. The new customer cannot have an existing East Cambridge Savings Bank checking relationship. The referral form (see customer service representative) must be presented at the time the new customer opens the new checking account and establishes direct deposit. First direct deposit of the new account must occur within 90 days of account opening. \$25 bonus will be deposited into each account, within 60 days of the first direct deposit of the new account. The new account must still be open and in good standing (no negative balances). Minimum balance to open an East Cambridge Savings Bank Checking Account varies- see a customer service representative for details. Taxes resulting from the \$25 bonus are the responsibility of the accountholder(s). Offer may end at any time.
