* Promotion requirements are separate from general account requirements:

Promotion requirements Offer valid 4/1/2018 – 6/30/2018

To receive the \$350 credit, open a new MB Financial Bank small business checking account and keep a monthly average balance of \$5,000 or more in the first 90 calendar days after account opening and complete one of the following qualifying activities: (1) complete a minimum of 15 electronic transactions within the first 90 calendar days after opening or (2) open a new MB Financial Bank business money market or statement savings account and keep an average monthly balance of \$25,000 for the first 90 calendar days after account opening. Electronic transactions include debit card transactions, ACHs, bill payments, mobile remote deposits, and wire transfers. Accounts cannot be combined to achieve the monthly average balance.

If all requirements have been met, \$350 will be paid by MB as a credit to the business checking account within 60 calendar days of the transactions being verified, following the 90 calendar day period from opening. Account must be in good standing (open, with a positive balance) to receive payout. Promotional credit may be subject to IRS 1099 Form Reporting.

General Account requirements Minimum balance to open a checking, money market or savings account is \$100. MB small business checking account has a monthly service charge of \$15. There are ways to avoid the monthly service charge on small business checking accounts. We reserve the sole discretionary right to refuse to open an account or close an existing account for any reason. Other fees and restrictions may apply; fees could reduce earnings on the account. For more specific account information please see a banker or call 1.888.ibankmb (1.888.422.6562).
