A few nitty-gritty details you'll want to know:

These cash bonuses are only available to you if you received our offer in the mail and if you do not have an existing 360 Money Market, 360 Checking or 360 Savings account. To receive any of these bonuses, you must be the existing primary or secondary account holder, and account(s) must be in good standing (not in default, closed or suspended). If you open an account through a business, it may be subject to closure/conversion. Bonus is only available for one 360 Checking account and one 360 Money Market account, and multiple new accounts will not qualify. You must have a valid Social Security Number to open a 360 Money Market or 360 Checking account.

Here's how to qualify:

$200 360 Checking and $200 360 Money Market bonuses:

Open your first Capital One 360 Checking account or 360 Money Market account online and deposit at least $1,000 per account opened no later than September 30, 2017, 11:59 p.m. ET.

Capital One will deposit the $200 cash bonus into your checking account approximately 10 weeks after you accept the account terms and conditions and complete the above conditions. Once it's deposited, the funds will be available immediately.

$400 total bonus:

Open both 360 Checking account and 360 Money Market account, and complete the qualifying conditions for each. Please note that the $400 bonus is the sum of the two bonuses and is not a separate bonus offer.
