As of 8/1/2017, the annual percentage yield (APY) for the Huntington Relationship Savings account standard pricing is 0.05% for all amounts in all rate tiers between \$0.01-\$99,999,999,999.99. Rates may change as this product is a variable rate product. Fees may reduce earnings.

² You will receive a Relationship Interest Rate Increase if you have your account linked to a Huntington 5 or Huntington 25 Interest Checking account. The rate increase is applied at account opening or after the current interest rate is changed; the additional interest is 0.10% when linked to a Huntington 5 Checking account and 0.15% for Huntington 25 Checking account. The interest rate additions will always be added to your interest rate after any rate adjustment, so long as you continue to link or tie your Huntington 25 or Huntington 5 Checking to your Relationship Savings account.

³ Regulations limit the number of transfers that can be made on savings and on money market accounts during the calendar month or statement cycle. See additional information in the Account Documents.
