*Offer good through 09.30.2017. New member must open a checking account with a full direct deposit in order to be eligible for the \$25 deposit. Nutmeg State Financial Credit Union reserves the right to discontinue the program at any time without notice. To receive any of the rewards described, the person being referred must not be an existing member of the credit union and must not have been a member who closed an account within the last 6 months. All new accounts are subject to our normal approval process. A referring member may receive multiple incentives for referring multiple new members who meet the criteria for membership and the offer, however the maximum payout for referrals cannot exceed \$100. A new member may only receive one reward for being referred, but may receive additional incentives by referring other new members who meet the criteria for membership and the offer. All criteria must be met within 30 days of account activation to qualify and recipients of bonuses must be in good standing. Once it is determined that the new member qualifies for the reward by meeting the criteria set forth, the referrer and new member will be paid the appropriate incentive with a deposit to his/her existing Nutmeg savings account within 30 days. An early termination fee will be assessed to new member if checking account is closed within 6 months. All accounts must remain active for 6 months. Member responsible for paying all taxes associated with the reward. Nutmeg State Financial Credit Union is federally insured by the National Credit Union Administration.
