Give a Hoot About Saving!

Learning to save for what you want in life is a crucial life skill, but it's one only a few young people are learning. That's why for financial literacy month in April, Sun Community will focus on helping young people develop good saving habits. Sun Community will encourage young members to save by matching the first 200 deposits up to \$25! They will also have a chance to win a brand new scooter. In addition Sun Community will offer different activities for kids, every Friday of the month, in each branch. Stop by any of our branches to learn more about Youth Month.
