All products and services are subject to approval, including credit approval.

**\*To qualify to earn up to \$300 in cash bonuses**, the new client (with new money not currently held at IBERIABANK) must open 1) a new business checking; AND, 2) a new merchant account. To the extent required by law, IBERIABANK may report the value of the offer to the IRS on a Form 1099. Offers expire June 10, 2017.

**To qualify to earn a \$150 business checking cash bonus:** \$150 bonus will be credited to the new account within 105 days when a minimum of 15 client-initiated debit transactions occur (use your debit card, write a check, or use Online Banking with Bill Pay) within the first 90 calendar days of account opening. New account must have a positive balance up to and including the 90th day. Limit one \$150 bonus per business entity, or related business. Certain business checking accounts require a minimum opening deposit of \$100. Bonus not considered part of the minimum opening deposit. If the new business checking account is interest bearing, refer to the Rate and Fee Schedule for the annual percentage yield applicable to your account. When opening this account online, the promo code must be used to qualify for the promotional bonus.

**To qualify to earn an additional \$150 merchant cash bonus:** Offer is not available to businesses with an existing relationship with our payment provider, Elavon, Inc. New merchant accounts are subject to approval, and acceptance of the terms/conditions. New merchant account must be opened by 6/10/17. New merchant account must activate within 30 days of approval (no later than 7/10/17). \$150 bonus will be credited to the new business checking account within 30 days of activation (by 8/10/17). Limit one \$150 bonus per business entity, or related business. Certain restrictions may apply. For full program options, please speak to a representative.
