A few nitty-gritty details you'll want to know:

These offers are only available for new customers and cannot be transferred. If you're an existing Capital One Bank or Capital One 360 customer or a Capital One Associate you won't be eligible for the bonuses. To receive any of these cash bonuses, your account must be in good standing (not in default, closed, or suspended). If you open an

account through a business, it may be subject to closure/conversion. Bonus is only available for one 360 Checking account and one 360 Money Market account, and multiple new accounts will not qualify. You must have a valid Social Security number to open a 360 Money Market or 360 Checking account.

Here's how to qualify for the cash bonuses:

\$200 360 Money Market account bonus:

- Open your first Capital One 360 Money Market account online and deposit at least \$10,000 no later than July 31, 2017, 11:59 p.m. ET.
- Capital One will deposit the \$200 cash bonus into your money market account approximately 6-8 weeks after you accept the account terms and conditions.

Direct deposits must be an electronic deposit of one of the following: your paycheck from your employer, Social Security/pension or other government benefits. Direct deposit is subject to employer or other payor options.
- Capital One will deposit the \$200 cash bonus into your checking account approximately 6-8 weeks after you accept the account terms and conditions and complete the above conditions. Once the bonus is deposited, the funds will be available immediately.

\$400 total bonus: Open both 360 Checking account and 360 Money Market account, and complete the qualifying conditions for each. Please note that the \$400 bonus is the sum of the two bonuses and is not a separate bonus offer.
