\*Limited time offer. To receive the \$150, you must open a new Mainstreet Credit Union checking account. Minimum deposit may be required. Existing checking accounts do not qualify for this offer, and members are limited to one new checking account per membership. The \$150 incentive will be deposited into your share savings account as an extraordinary dividend for tax purposes after 90 days, provided your account is in good standing. To receive the \$150, you must also have a recurring direct deposit of at least \$200 posted to the account each month (such as a paycheck, pension payment, Social Security payment, or any other government payment), participate in eStatements, and complete 10 debit card transactions within the first 90 days of account opening. Debit transactions exclude credits/refunds and ATM transactions. Offer valid on new checking accounts opened through August 31, 2018. For the purpose of this promotion, a "month" is defined as 30 days and a "new checking account" is one that is opened under a membership number that has had no prior Mainstreet checking accounts.
