Here's a great way to get some extra cash! Refer your immediate family members or Kroger co-workers and receive \$25 for each referral.

Existing members will receive a \$25 deposit into their savings account once the referred account has been opened. The referring member's name must be listed on the membership application to receive the referral bonus.

New members will receive the initial required membership deposit* into their savings account at the time of account opening.

This promotion ends December 31, 2017, so don't wait to get those referrals in!

*Account must remain open for 12 months to keep the initial deposit.
