

Students in grades K through 12 with active Youth Accounts¹ can earn \$30 for their final, end-of-year report card when submitted by August, 31 of the same school year. We believe that education builds a strong foundation for our future leaders, so we reward our young members for report cards they are proud of. They'll learn the importance of saving money as well as an understanding that working hard and budgeting can help their future.

Reading Programs

Earn while you learn!

Nothing opens a child's mind faster than a good book. We let our young members know how much we value literacy by offering three opportunities to earn money for reading books. Students in grades Kindergarten through 12 can earn up to \$10 (\$2 per book) during our Fall, Winter and Summer Reading Programs. Click here (<https://assets.capcomfcu.org/images/pdfs/CAP-COM-Reading-Program-Application.pdf>) to download the form and members with active Youth Accounts¹ could earn up to \$30 per year!*

Honoring Heroes

Supporting those who keep us safe.

Each year, CAP COM pays special recognition to the Firefighters and Police Officers who put their lives in danger to save others. We get our young members involved, too, with special drawing contests to commemorate National Police Week in May and Fire Prevention Week in October. Winning artists receive cash prizes at a special ceremony with local firefighters and police officers.
