Open a new checking account and get \$222 for what matters

Give our Canvas checking account a spin, and we'll give you \$222 for whatever matters to you. And remember, friends help friends enjoy dinner (or faux fur).

.)

Open a new checking account and follow these three steps:

Go online or call us to opt into eStatements. Super easy. It's literally two clicks online.

Set up direct deposit in the amount of \$500 or more in each of the three 30-day periods after opening the account.

All you need are your account number and our routing number. Imagine the delicious dinner that's coming...worth the effort!

Use your debit Mastercard for 15 or more transactions in each of the three 30-day periods after opening the account. Yes, Apple Pay, Android Pay and Google Pay count. Think 15 is a lot? We know about that coffee habit. That'll get you there in no time.
