With Us, You're ONE Masterpiece

We're better than a bank. We're a credit union—a full-service, not-for-profit, financial institution. We offer all the products and services you'd expect to find at a bank. But because we have no stockholders to pay, we're able to offer you lower rates on your loans, higher yields on your investments, and fewer fees. Experience all these exclusive perks, and much more with CommonWealth One membership.
