Your checking account must remain open and in good standing for you to receive the reward, which will be credited to your primary share savings account as a dividend within 120 days after all conditions have been met. To receive the bonus: 1) Currently be a member of Solidarity, or open a new primary share account with \$5. 2) Open a new checking account. 3) Have a Direct Deposit totaling \$500.00 within 90 days. 4) Sign up for eStatements. 5) Have at least 7 debit card purchases made with your Solidarity VISA Debit Card post to your account within 90 days of account opening. A qualifying direct deposit is defined as a recurring direct deposit of a paycheck, pension, Social Security or other regular monthly income electronically deposited by an employer or an outside agency into the Checking account. The total amount of all qualifying direct deposits credited to your checking account must be at least \$500. Credit card cash advance transfers, transfers from one account to another or deposits made at a branch or ATM do not qualify as qualifying direct deposits.

A qualifying debit card purchase is defined as any debit card purchase made at point of sale using your signature or PIN, or a purchase made electronically or online using your debit card number, including recurring payments. This bonus is not available if a Solidarity checking account in your name was closed within the past 180 days, or your account has been paid a promotional premium in the past 12 months. If multiple accounts are opened with the same signers, only one account will be eligible for the premium.
