<sup>1</sup>To receive the \$200 cash bonus: open a new Prestige Suite (Provident Prestige Checking and Provident Prestige Money Market); deposit \$50 or more in Provident Prestige Checking at account opening; and make \$2,500 in one-time or cumulative deposits over the first two (2) statement periods following the account opening date of your Prestige Checking account. After you have completed the above requirements, including keeping your account in good standing and not overdrawing your account, we'll deposit the cash bonus in your new account within 75 days after the end of promotion on July 15, 201.

These bonus offers are only available to the person to whom the postcard was mailed living at the address specified in the mailing and offers are not transferable. Limited to one Prestige Suite, promotional rate and cash bonus offer per household. The postcard must be presented at a Provident Bank branch when opening the account. Promotional offers that appear on third-party websites that are not authorized by Provident Bank will not be honored.

<sup>2</sup>To qualify for the Provident Prestige Money Market Promotional Rate Offer, you must open and maintain a Provident Prestige Checking account by July 15, 2019. If the Prestige Checking account is closed during the bonus yield period, the Prestige Money Market account will no longer receive the bonus yield and will revert to 0.25% APY for the remainder of the bonus yield period. There is a minimum of \$15,000 new money (funds not already on deposit at Provident Bank) to open and maintain the Prestige Money Market account for this offer. Minimum balance of \$15,000 is required to earn 2.25% Annual Percentage Yield (APY); balances above \$500,000 earn 0.25% APY on your entire

balance and balances below \$15,000 earn 0.05% APY on your entire balance. Fees could reduce earnings on account.

The Promotional APY of 2.25% is guaranteed for one (1) year on your entire balance from the account opening date. After one (1) year, the promotional yield of 2.25% APY will change to the prevailing variable yield, currently 0.75% APY. These offers may be withdrawn at any time and without notice.

<sup>3</sup>You must receive at least one (1) direct deposit and process at least one (1) automatic debit which posts and clears your account within each statement period. If requirement is not met within any statement period, a \$25 fee will be assessed for that statement period against the Prestige Checking account. Fees could reduce earnings on the account.
