General. Our goal is to be your new bank. We think that once you bank with us, you will refer us to a new customer. We reserve the right to terminate this offer without notice at any time in the event of any suspected or actual abuse or fraud. Offer only valid in Alabama, Arkansas, Florida, Georgia, Illinois, Indiana, Iowa, Kentucky, Louisiana, Mississippi, Missouri, North Carolina, South Carolina, Tennessee and Texas. Present a personalized voucher with applicant's name and registered email address in order to open in branch. This offer is non-transferable, may not be combined with any other offer, does not apply if you have or had an ownership interest in a Regions checking account on or after Sunday, October 15, 2017, only applies to business checking accounts, and may be withdrawn at any time without notice. To earn this bonus, the business identified in the offer has or had must meet all requirements of the offer described above within 60 days of opening your new account. If earned, the bonus will be issued within 120 days of meeting these requirements and will be in the form of a credit to the new checking account which must be open at the time the credit is issued.

\$300 bonus: Bonus offer is nontransferable, may not be combined with any other offer, does not apply if the business has or had a Regions Business Checking account opened after Sunday, October 15, 2017, and is limited to one \$300 credit to the business identified in the corresponding email. The Annual Percentage Yield (APY) paid on Business Interest Checking is determined by account balance and, as of Thursday, February 1, 2018, was 0.01% for all balances. No other business checking account earns interest. Minimum opening deposit of \$100 is required.

Posting: CheckCard purchases do not always post to your account the same day you use your card or otherwise authorize a purchase. The timing of when a purchase posts depends largely upon the merchant. "Pending" transactions are not counted. You may use Online Banking and/or Mobile Banking to track when purchases post. Purchases also include payments made using your CheckCard number, but not ATM transactions.

Other: For accounts opened in Iowa, certain fees are subject to Iowa State Sales Tax of 6%, which will be assessed at the time the fee is charged, unless exempt. Fees may reduce earnings. The recipient is responsible for any tax due on any amount received under this offer. All qualifying accounts and products must be open at the time of posting to receive the credit(s). Regions may change the APYs at any time. If earned, bonus(es) will be in the form of a credit to the new checking account. Wireless carrier fees may apply to mobile services.
