Health Savings Account

If you offer high-deductible health insurance plans (HDHP), your employees can open a Health Savings Account (HSA). An HSA is a tax-advantaged medical savings account and a great way to cover the cost of medical and health-care expenses not necessarily covered by an insurance plan. Your company, employees or other individuals can make contributions to the account, up to the annual limit. Any funds remaining at the end of the year will stay in the account and continue to grow tax-free.

No monthly service charge
