\*Each branch has a wheel with 18-slots with bonus amounts ranging from \$50 to \$1,000. The actual bonus amount the customer receives will depend on which slot the ticker lands when the wheel stops spinning. Bonus is applicable to any Liberty Bank checking account opened. Bonus will be credited to the customer's new Liberty checking account within five business days after they fulfill the following requirements: 1) Stop by a branch and give the banker the promo code you received via email; 2) Open a new checking account. Initial checking funds must be new to the bank; 3) Spin the wheel to determine the amount of the bonus; 4) Receive 3 monthly ACH electronic funds transfer credits of \$100+ to this account (1 each month for 3 months) within 120 days after account opening.

Must be 18 years or older to participate. Offer is not available to Liberty Bank employees and their immediate families. Only one official spin (consisting of a full rotation of the wheel) per customer is permitted. Cannot be combined with other offers. If the account is closed by the customer or by Liberty within six months after opening, we will deduct the bonus amount for that account at closing. The bonus paid may constitute income under Internal Revenue Service (IRS) regulations and, if required, will be properly reported.
