prove that we are also the best place to bank in Idaho, too. From July 1, 2018 to September 30, 2018 we have a special promotion that will not only benefit our existing members, but also our non-members.

We are giving away \$25 to any person who opens their first Checking Account with **Direct Deposit** and **eStatements**. To those of us who already have a checking account, we aren't leaving you out of this awesome deal!

HOW TO QUALIFY

If you don't have a Checking Account, open any 1 of our 3 to qualify. Once you've decided on which one fits your needs the best you can then set up your direct deposit & eStatements,

both of which are completely free.

East Idaho Credit Union offers direct deposit right into your East Idaho Credit Union account. Set this up one time and from then on, you'll never have to worry about payday again. A direct deposit is an electronic transfer of a payment that goes directly into your EIGU account from your employer or payer. For special cases in which an employer does not offer direct deposit we can help you get set up with our mobile deposit instead.

Once your checking account and direct deposit is complete there's only one more step to receiving your \$25 - that's by signing up for eStatements. EStatements is a secure way to receive your statements through your eBranch. We automatically save up to 18 months of statements for you at no cost. No more paper, no more filing, no more worrying about friends or family seeing your mail. Online, safe, secure, and organized through your eBranch.
