THE FUN NEWSLETTER FOR SMART MONEY KIDS

The Youth Saving Challenge Continues!

Have you started participating in the Buck Club Rocket Saver Challenge Sweepstakes at Riegelwood Federal Credit Union? If not, then now is the time to start.

RFCU is offering youth members a Rocket Saver Tube to help save quarters during the summer. Ask your Mom or Dad, Grandpa or Grandma if they ever saved a quarter savings tube. We bet they might have a great story to share with you.

When you deposit these quarters into your savings account you not only saved \$10, but you will receive two entries to the Youth Saving Challenge Sweepstakes.

Each month, through October, RFCU will draw a sweepstake entry and the winner will be awarded a fun family day trip to a local planetarium or museum! Buck Club Kids are excited when these tubes get filled, knowing they are achieving their saving goals. It is a proven science that when you save money consistently it becomes a lifestyle habit.

Riegelwood FCU is proud to be a part of financially educating our youth members by offering youth saving challenges and tips that help them become smart savers!

DID YOU KNOW?

Every time a single savings tube of quarters is filled, \$10 has been saved!

Ask Alanah Robinson About Her April Sweepstakes Surprise!

Yes, Alanah Robinson was the winner of the RFCU Youth Saving Challenge Sweepstakes for the month of April. Alanah was one happy, little saver when she came to pick up her sweepstake package at the CU. Alanah had been to Ingraham Planetarium in the past, so she decided she wanted to visit the Coastal Museum which now has a new petting aquarium! Just like future winners, she has been given a day pass for her and a friend along

with two adult passes, gas money and food allowance for the day. What a great prize! The planetarium is a great experience for any age group and RFCU is thrilled to offer it to our lucky member winners. The planetarium and museum are both located in Sunset Beach, NC. If any sweepstake winner is not located within traveling distance to visit, they may opt for \$100 deposit into their savings account.

White Lake Water Park Trip Was a Success!

Can you believe you are now a part of a club that has more than 1,300 members? Wow! Each year RFCU's Buck Club continues growing and our educational opportunities also grow right along with the club members.

The White Lake Water Park Party is one of the many ways we give back to our members and the community. Since this was a private party, it always makes the evening more personable and fun.

Everyone had a blast at the water park on the evening of June 2nd. More than 100 youth and their friends attended the party.

We are excited to announce these youth members saved more than \$12,000 with their deposits made in April and May. What a great reason to celebrate!

The Staff and Board of Directors of Riegelwood Federal Credit Union enjoy having fun and interacting with our credit union's future leaders. We are thankful that so many came to this event. Keep on saving, kids!
