**Share Content** Give the gift of savings this holiday season! Deposit up to \$25 into a new or existing Pee Wee youth savings account this December and Town & Country will match it with up to an additional \$25 deposit into that same account. Easy as that!

We know that our money habits begin to form when we're just children. That's why Town & Country believes so strongly in the value of teaching children the importance of saving and the rewards that come along with it.

The Pee Wee youth savings accounts are designed for children ages 0-12 years old with dividends paid on all balances and no minimum balance to open. They also come with some special perks for the child:

- Receive a prize whenever they make a deposit.
- A surprise birthday offer
- Invitations to special youth events

Are you ready to give the gift of savings? Stop in to your local branch (<https://www.townandcountry.org/locations>) today! You'll need the child's social security number to open the account.

\*One match per account December 1-31, 2018. Terms and conditions subject to change. Cannot be combined with other offers.
