## Get Cash for Going to College This Month

Headed to college this fall? Don't forget to stop in to your local Town & Country Credit Union branch. If you're a member between the ages of 18 and 23, just show the branch manager your class schedule and we'll deposit \$25 into your savings account. Simple as that! This promotion ends on September 30, 2018, so don't delay!

A few other things you can do to make sure you're maximizing your college experience at Town & Country Credit Union.

- Add **Star Rewards** to your checking account for free and earn 3% cash back just by doing things you'd normally like using your debit card and logging into online account access. Plus, you'll get ATM fee refunds. WIN. Add Star Rewards online now. (<https://www.townandcountry.org/content/star-rewards>)
- Get a **Student Visa** . We're here to help you build your credit rather than taking advantage of your college student status. With a low interest rate and no annual fee, you'll definitely want to apply for our Town & Country Student Visa to finance this year's adventures. Apply here. - **Free financial counseling**. Google only gets you so far when you're looking for financial advice. Our on-staff financial counselors can look at your credit report and monthly account statements to help you develop a budget you can follow, build credit and more. Reach out to a financial counselor here. (<https://www.townandcountry.org/personal/financial-counseling>)

Good luck this year!
